The Autumn Leaves Edition

of the

Intermont

Virginia Intermont College

Bristol, Virginia

DEDICATION

To the one who lives day by day following the motto, " 'Tis better to give than to receive;" to the one who is never too busy to listen to our problems; to the one who has shown her love for us by willingly giving of her time and support to all our projects; to the one who is lovingly devoted to her work at V.I.; to the one who is very near and dear to our hearts; we, the Seniors, appreciatively and thankfully dedicate the 1957 INTERMONT to Mrs. Harper.

Mrs. Mae Harper

Administration and Faculty

And this our inspiration for always will be our guiding light.

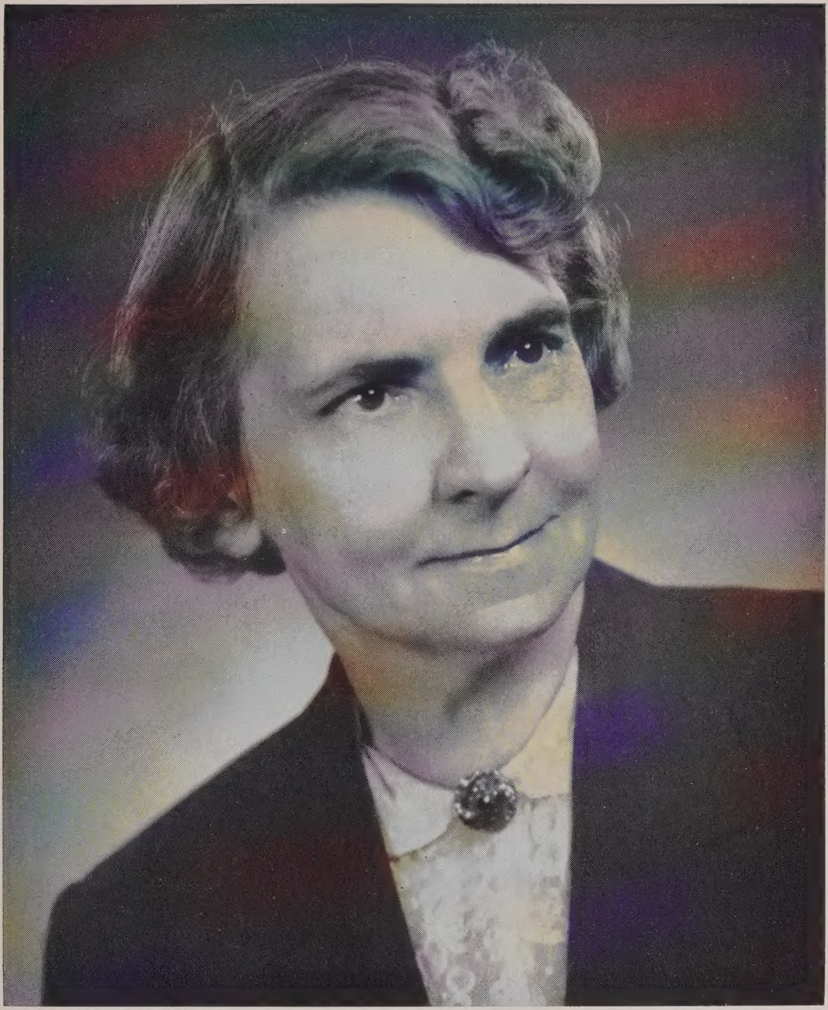
Dr. Floyd V. Turner

President

Very seldom does one person, in a year, come to be loved and admired by so many people as has Dr. Floyd V. Turner during the V.I. school year of 1956-57. Our new president has shown an intense interest in each student at V.I. He has a charming manner of informality that makes everyone around him feel comfortable. Besides his wife and two children, Dr. Turner's main interest is in his fellowmen.

He was Associate Professor of Education at New Mexico A. and M. College; Head of Education Department at Mary Hardin Baylor College in Belton, Texas; and Academic Dean at Belmont College in Nashville, Tennessee.

Dr. Turner has the following degrees: A.B. from University of Kansas City; M.A., University of Kansas City; and Ed.D. from George Peabody College in Nashville, Tennessee.



Miss Marguerite Pflug

Dean of Faculty

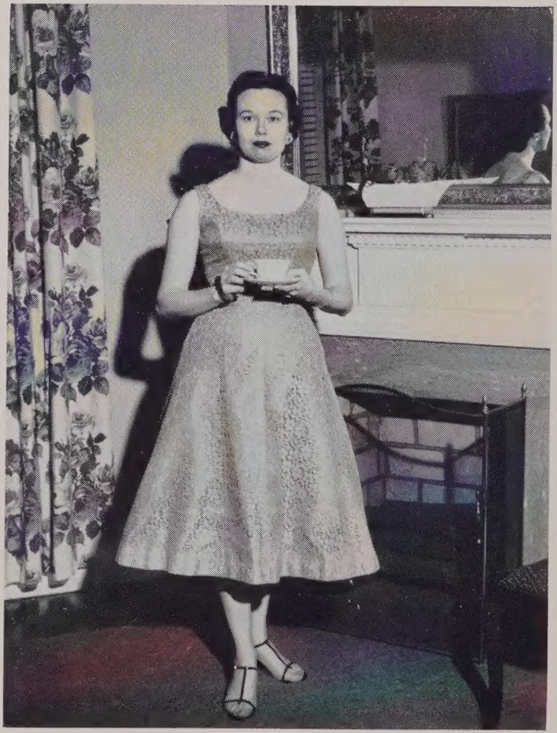
Besides carefully planning the curriculum of each girl at V.I., our academic dean excels in her teaching of French and German.

Each girl at Intermont is indebted to Miss Pflug for the wonderful help and guidance she has given us—and for her many invitations to her lovely cabin, Rockynook.

Miss Pflug received her education in Europe, studying at the University of Geneva. Her Ph.B. and A.M. degrees were acquired at John B. Stetson University and Columbia University, respectively.

Miss Katherine Billingsley

Dean of Women



V.I. is fortunate to have a dean of women who shows so much personal interest in the lives of all the students. It would seem that helping girls with their problems and sharing in their happiness is just second nature to "Miss B."

She attended Judson College in Marion, Alabama, and completed her education at the University of Alabama, majoring in Sociology and English. The summer of 1956 she also studied at Columbia University.

Miss Billingsley will long be remembered by Intermont girls as a true friend.

Mrs. Grace Seay

Assistant Dean of Women

There is one person on V.I.'s campus who is especially dear to all of us. Her name is Mrs. Seay — but everyone calls her "Mumsie"! For twenty years she has made the saddest ones feel happy when she walks by with her cute red shawl around her shoulders, and says "Hi, darlin'!" Who could ever think of Intermont and not, at the same instant, think of our own dear "Mumsie"?

Mr. S. O. Snodgrass

Who keeps V.I.'s financial budget running so smoothly? Who takes care of the many lost trunks; misplaced bank books; and various matters of all natures? Why, Mr. Snodgrass, of course! But, most of all this gentleman is noted for his long speeches at Song Contest when everyone is just dying to find out who won!

V.I.'s business manager is truly an efficient person with a wonderful manner. He is also active in civic affairs including the Civitan Club; the First Baptist Church; and the Boy Scouts.

Mrs. Walter E. Crockett

Mrs. Walter E. Crockett, Alumnae Secretary, is noted for her ability to get things done — and done well! Not only does she keep in contact with the former V.I. students, but she handles publicity for the school and arranges programs from V.I. for civic groups.

Mrs. Crockett seldom slows down her vigorous routine, but time is forgotten when you ask her about one of her two favorite subjects, Bobby and Vicki.

Miss Anderson

Miss Anderson, a former member of the Belmont College faculty, is the Director of Religious Activities at V.I. She received her B.S. degree from the Tennessee Polytechnic Institute and her M.R.E. degree from the Southwestern Baptist Theological Seminary. Among her many interests are travel, sports, and reading.

Mrs. Howard Crumley

Mrs. Crumley came to Intermont first as a student and then in 1932 to take the job as Secretary of Admissions. From the look at the constantly growing student body, she has proven to be competent for her position. Mrs. Crumley has as her hobbies three very important items: her husband, her children, her home.

MR. C. ERNEST COOKE teaches English literature and History of Art. Mr. Cooke's chief interests are art, music, and drama. His hobbies are collecting works of art and recordings. Twenty-six years ago he started the Art Interest group. He also started the Annual Regional Exhibitions for contemporary painters. This has brought many paintings and artists to the V.I. campus. Mr. Cooke has an active part in the Integrated Cultural Program which harmonizes the special fields of art and music with the classes. He has organized twelve trips to New York and has toured Europe eleven times. He has written two plays and also paints.

MISS MEADE, an instructor in college Junior English, received her A.B. degree from Martha Washington College and holds an M.A. in English literature from Columbia University. Her love for music and drama is indicated by the fact that she seldom misses a concert, recital, or play on campus. She also loves pets such as cats and dogs; and at one time, she owned horses.

MRS. MILNE, who teaches college Junior English, received her A.B. degree from Randolph-Macon Woman's College and her M.S. from the University of Tennessee. At both schools she was scholastically outstanding in that she was a member of Phi Beta Kappa at R. M. W. C. and Phi Kappa Phi and Pi Lambda Theta at U. T. Her interests vary from such quiet things as reading and painting to the social realm of entertaining and taking part in club activities.

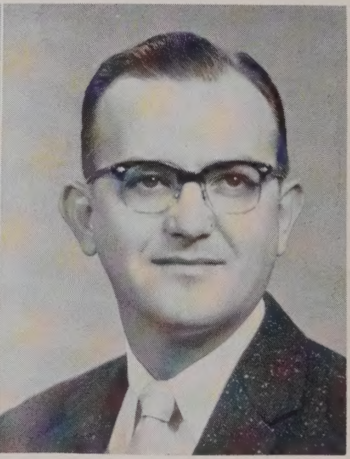
MR. SNOW, the instructor of Spanish at Intermont, received his B.A. degree from Roanoke College, his M.A. from the University of North Dakota, and studied at the University of Virginia. Cooking, traveling, and studying the wonders of nature are some of his many interests.

Faculty

MRS. CANTWELL, our textile expert, teaches in the Home Economics Department. Her charming personality has won for her the love of all the Home Ec. girls.

MRS. HODGE, who teaches art, attended Sullins College, Columbia University, George Peabody College, and the New York School of Fine and Applied Arts. Being artistically inclined, she produces beautiful paintings, ceramics, and hat designs.

MR. PEARCE, who teaches Sociology and Psychology, attended Milligan College and George Peabody College. His many hobbies include hunting, fishing (above all!), golfing, and teaching in a girls' school. However, he gave up the last one recently, and the girls miss his wit and humor on the campus very much.



DR. TAYLOR teaches Religion and Sociology. He received his A.B. degree from Georgetown College and his B.D. and Th.D. at the Southern Baptist Theological Seminary. Reading occupies a great deal of his time, but Dr. Taylor still tries to find time for bowling, fishing, and golf.

One of the most popular persons on campus is MRS. DWIGHT WILLETT, who teaches history. She was graduated from Georgetown College with an A.B. degree, and received her M.A. degree from the University of Tennessee, where she was a member of Phi Lambda Theta. As sponsor of the B.S.U. and co-sponsor of the Junior class, she is kept quite busy. Her chief interests are her three grandsons, religious activities, and working with young people.

MISS CLARK is the mathematics instructor at V.I., but her work by no means ends with her teaching. She sponsors Y.W.A., Beta Club, and Areannes—a handful for anyone!

Miss Clark received her B.S. and M.S. degrees from the University of Richmond, where she was a member of the Phi Beta Kappa scholastic fraternity.

MISS MILLER, head of the Home Economics Department, was graduated from Iowa State College, where she received her B.S. degree, and was awarded her M.A. degree from Columbia University. Her leisure hours are spent watching her favorite television programs.

MRS. RAYMOND GOSE can be found in the Business Office of Intermont, where she is a bookkeeper. Her special interests include bridge and sewing.

Faculty

MRS. AMIS is an instructor of Latin, German, and French in the V.I. Preparatory Department. She was graduated from the University of Louisville, where she received her A.B. degree, and did her graduate work at the University of Mexico. Her chief interest as a hobby is the collecting of antiques.

MRS. MILDRED CAMPBELL, a Bristolian, is the high school algebra teacher at V.I. She attended Sullins College and received her degree from Radford State Teachers College.

Pretty MISS HARTLEY teaches in the Secretarial Science Department. She received her B.S. degree from East Tennessee State College. This is her second year at Intermont. Reading and traveling are two of her favorite pastimes. A friendly smile and greeting are the hallmarks of Miss Hartley's personality.

MRS. CLAUDE NASH, a graduate of Grave City College, comes to us for her first year of teaching. She is the high school Literature teacher, and is well qualified for such a job because of her many adventures in traveling. Her main interest is working with young people, and she is qualified as such because of her two teenage daughters.

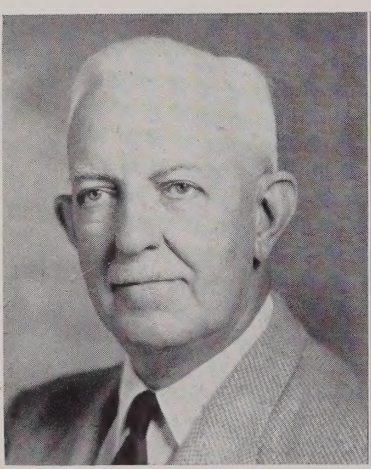
MRS. BROOKS, who holds the positions of Senior Hall housemother and high school biology teacher, attended Hillsdale College in Michigan, and received her A.B. degree from DePauw in Green Castle, Indiana. At present her family is her main interest, since she recently became a grandmother.

MRS. CAREY, East Hall's housemother, came to V.I. from Florida three years ago. With her, she brought a heart full of sunshine which makes everyone she meets a little happier. When asked about her hobbies, she immediately replies, "My girls—they are my life."

MRS. PAINTER, housemother for second Main, fourth West, and Hodges Hall, is much better known to the girls as "Mom Painter." She is recognized throughout the school for her love and companionship for all "her girls."

MRS. TOMPKINS, better known as "Mama T.", is the housemother for third Main, West, and Administration. "Mama T." loves cooking and sewing, but, as we all know, she excels in painting.

Faculty



Identified by his handsome silver hair and Southern charm, suave MR. BARKER is Intermont's Northern representative, in the Admissions Department. His friendliness and charming personality make him very popular with V.I. girls. On his infrequent stopovers here between trips North, he can often be found playing the piano and conversing with Intermonters in the Students' Lounge.

MRS. FRITSCHE, one of V.I.'s most dependable staff members, can always be found in her Book Shop. She keeps it stocked with everything from perfume to stuffed animals. Mrs. Fritsche received her education at Simmons in Boston, and has been at V.I. for the past seventeen years.

Petite, pretty MISS RIVERS is much admired by all Intermont girls. She travels for the school in Kentucky, Tennessee, and West Virginia; and it's no wonder we have so many girls from those states. Miss Rivers attended V.I., and received her B.S. degree from Radford State Teachers' College.

MISS WOOD became secretary to Dr. Turner after her graduation from V.I. last may. She has such a winsome way that recently she has been rounding up prospective V.I. students in Virginia. When she isn't traveling for the school, she finds time for her favorite pastime—writing letters.

MRS. CASSITY was dietitian at Bristol Memorial Hospital and at Wise Memorial Hospital before joining the staff of Intermont. Though we see little of her unless we work in the dining room, we all appreciate what she does for us each day.

MRS. COLE, our House supervisor, is always busy making V.I. more attractive. Her hobbies include housework, music, and just anything that makes the girls happy here.

MRS. HARPER is the manager of the Tea Hole and has been for the past twenty-eight years. When not in our little snack bar, she can more than likely be found in an antique shop pricing glassware. We shall always remember her for her untiring efforts to please us and her willingness to help us any time we need her. She is truly a wonderful friend to us all.

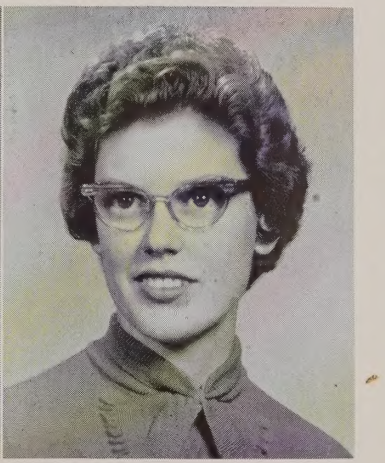
MR. ROBERTS is our indispensable maintenance man. He is always on hand in any emergency. Mr. Roberts' specialties include the gorgeous Christmas decorations that make V.I. lovely at Christmas time.

Faculty

MISS ELIASON, head of the Biology Department at Intermont, received her A.B. degree and her M.A. degree from the University of North Carolina. She is a member of the Elishe Mitchell Society, the Carolina Bird Club, the Harrisonburg Art Group, and the North Carolina Academy of Science. Miss Eliason's hobbies are birds, art, and working with flowers.

DR. MARION, the head of the Chemistry Department, received his A.B. degree from Roanoke College, and his A.M. and Ph.D. degrees from Columbia University. Known for his patience in class, Dr. Marion is one of the most understanding teachers on campus. His hobbies include woodworking, cabinet-making, tools, and working in his chemistry laboratory, which is the garage of his beautiful, ranch-type home on the Blountville Highway.

MRS. TAFT, a V.I. alumna, has been a bookkeeper in the Business Office since 1948. Her favorite pastime is bridge.



MISS WORLEY completed a secretarial course at V.I.; then she went to work in the Public Relations Office as Mrs. Crockett's secretary. Her main outside interest is playing basketball on the Burlington Mills team.

MRS. BOWERS, the Physical Education instructor at Intermont, received her B.S. degree from East Tennessee State College. Sponsor of the Athletic Association, she is one of the most active members of the faculty on campus. Although much of her spare time is claimed by her young son, Mrs. Bowers finds time to pursue her hobby of designing and making her own clothes.

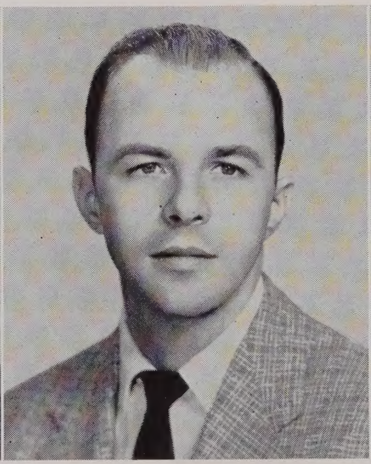
MISS LOWMILLER teaches in the Physical Education Department. She received her B.S. degree from the Woman's College of the University of North Carolina. As sponsor of the H_2O Club and the Wesley Foundation, she is quite a busy person. Along with driving her Model A, she enjoys camping, painting, traveling, and listening to music.

Whatever can that funny noise coming from the second floor of 512 Harmeling Street be? It must be MISS MOORE playing her antique organ. She teaches art at V.I., and has studied at Mars Hill Junior College, Meredith College, and Ringling School of Art. One of her many hobbies is fishing. She's been trying to learn to swim and play basketball, too.

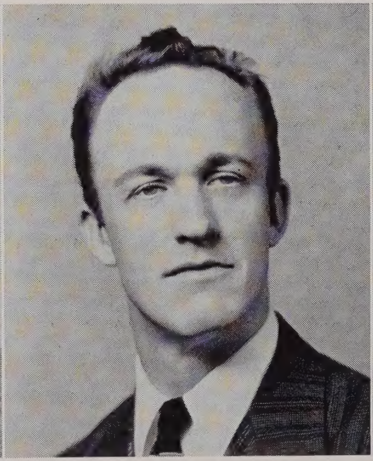
MISS PHILLIPS, a graduate of Virginia Intermont, instructs in horseback riding. Well-known by the students, she is the sponsor of the Boots and Saddle Club. Bridge, riding, art, and sports in general are Miss Phillips' main hobbies, although there is an added interest.

Faculty

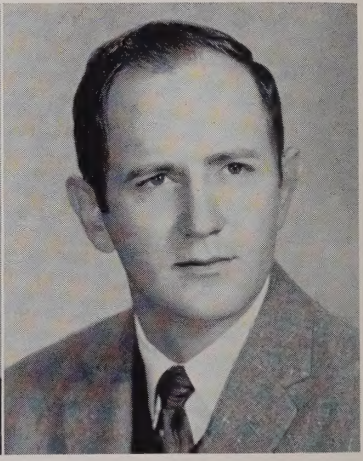
MISS ADAMS, the instructor in violin and theory in the Music Department of Virginia Intermont, is a graduate of the Cincinnati Conservatory of Music with a B.M. degree in violin and a certificate in piano. She received her master of Music Degree in violin and Theory from the Eastman School of Music. Miss Adams is a member of the American Guild of Organists, Mu Phi Epsilon, and the Pan-Hellenic Council. She is the recipient of the Alliance Francoise Award.



MR. ATWOOD, who has served as Voice teacher and Glee Club director at Intermont for two years, received his B.M. degree from Houghton College and his M.M.E. from Oberlin Conservatory. He has done summer study at the Berkshire Music Center, Tanglewood, Massachusetts. His other interests include church activities, athletics, and cooking.



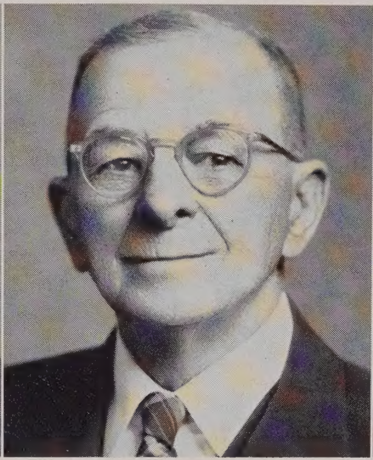
The "Prince of Individualists" is RALPH OSTHOFF, head of the Music Department. Recognized by his original head-gear in the winter and his vitriolic tongue the year around, Mr. Osthoff received his B.M. from the Kansas City Conservatory, and his M.M. from Converse College. He is a member of Pi Kappa Lambda music fraternity. A culinary artist, Mr. "O" is also adviser to Alpha Beta Chapter of Phi Beta at Intermont.



Although a newcomer to V.I. this year, MR. SEVERS' friendly personality has made many friends for him. He received his B.S. degree from East Tennessee State College, and while attending E.T.S.C., was a member of the Kappa Delta Pi fraternity. Upon his graduation, Mr. Severs served Active Duty, and before coming to V.I., he taught in the North Carolina school system. At present he is working on his M.A. degree at E.T.S.C. In his leisure time, Mr. Severs may be found reading, writing, and listening to music.

Faculty

MISS SMITH, Head of the Secretarial Science Department, received her A.B. degree from West Virginia Business College, her M.A. degree from Flora McDonald College, and she also attended Penn State. Much of her time is taken as sponsor of the Canterbury Club and Alpha Pi Epsilon, but in her spare moments she enjoys playing bridge, working cross-word puzzles, and collecting antiques.



MISS GARDNER, an instructor in the Business Department at Intermont, received her B.S. degree from Kirksville State Teachers' College and her M.A. from Baylor University. Organizations and societies that she has participated in are, Cardinal Key, Pi Omega Pi, Kappa Delta Pi, D.A.R., Eastern Star, and Sigma Sigma Sigma. In her leisure time, sewing, playing the piano and organ are among Miss Gardner's interests.

MISS ADAMSON, our capable librarian, received her A.B. degree from Milligan College and her B.S., L.S., and M.A. from Peabody College. The girls at V.I. really appreciate Miss Adamson's friendly aid in the library.

The head of V.I.'s Drama Department is none other than fun-loving MR. POTEAT. A graduate of the University of North Carolina, this is Mr. Poteat's first teaching experience. Outside of his serious role as teacher, Mr. Poteat can often be found on the tennis courts, or on a pair of water skiis. An added note of interest may be his sudden interest in bridge.

DR. EDWARDS, our college physician, can be seen in the infirmary each morning attending our many aches and pains. His kind and gentle manner has endeared him to every girl he has attended during his many years on the Intermont Home Staff.

DR. REIFEL, who teaches in the Business Department, received her B.S. degree at the Upper Iowa University, LL.B. at Houston Law School, M.A. degree at Drake University, and Ph.D. at the American University. Dr. Reifel is well-known the campus over; her hobbies are hiking, sewing, and writing music.

Who was that zooming by in the Thunderbird? MISS ELLER, of course! She teaches piano, organ, and theory here. A graduate of Cincinnati College of Music, Miss Eller did graduate work at Juilliard and the University of Michigan. She is a member of Delta Omicron music sorority. Besides her new car, Miss Eller loves good paintings, good music, and good literature.

MRS. JUDKINS, V.I.'s nurse, heads the infirmary. She has been nursing for over thirty years. We all agree that her patience and understanding are part of her treatment. Her hobby is keeping "her girls" in A-1 condition.

Did someone mention "Jim"? That was just MRS. RUNNION, teacher of the Fundamentals of Nursing at Intermont, talking about her everlasting boyfriend. (He's her husband, too.) Mrs. Runnion's main interest besides her husband, are her work and her daughter, Vicki.

Petite and attractive, MRS. MAUK teaches Medical and Surgical Nursing in the School of Nursing at Intermont. She is a graduate of Sullins, and received her B.S. degree from the School of Nursing at Columbia University. She is married and has two lovely children.

MISS SKEHAN, director of the School of Nursing here, is a graduate of the New Jersey College of Women. She received her M.N. degree from the Yale University School of Nursing. A native of New Jersey, Miss Skehan has adopted Largo, Florida, as her home.

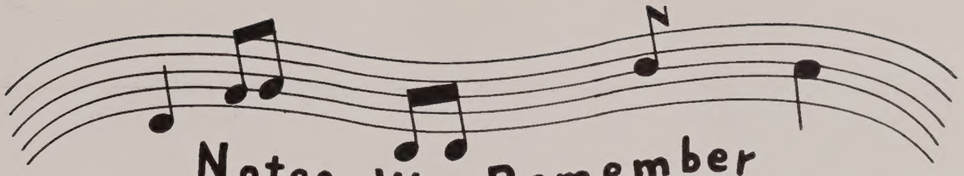
Senior Class History

As we turn the pages of this Annual, memories rush in upon us . . . memories of two fast-moving meaningful years at Virginia Intermont. Some are still vivid; others are but dimly recollected; all, we find upon examination, have become infinitely precious. Remember how V.I. looked to us when we drove through her gates to begin our senior year? There was a warmth and a friendliness in the red brick buildings that gave promise our second year would be even better than our first. For those of us who returned early, our first memories are of busy, hurried days as we made preparations for the incoming Junior class. Meeting with committees, planning, arranging, and in between times, unpacking, greeting old friends and meeting our new president and his sweet wife and family — these filled our first week back at V.I.

Then the Juniors arrived. What a turmoil of activity as we helped our "Little Sisters" register, find room and roommate, and become settled in their first days at college. After a round of parties, picnics, and teas, Juniors and Seniors alike were ready to begin classes and 'real' college life. Class elections were held, and to Anne Bridges, our president, was given the difficult task of uniting eighty-nine individuals into one Senior Class.



Notes We Remember

Autumn at V.I. Could we ever forget! Remember the beautiful fall day of Dr. Turner's inauguration when we stood in the amphitheater and watched the robed and stately procession of V.I.'s learned faculty? We realized then for perhaps the first time that we, too, were truly on our way towards the attainment of a higher way of life.

Rat Day for us as Seniors was missing the anticipation and dread that we experienced as Juniors, though we all enjoyed the hilarious antics of Professor Pearce in the Rat Day Court. Another traditional event, the Song Contest, soon followed. Memories of the many weeks of practice culminating in a few moments of joyous song, and the final triumph of our little sisters will long stay with us.

The hard-working day students gave us the Fall Formal, the first formal dance of the school year. It proved a grand affair with its unusual "Pink Fantasy" decorations. Not to be outdone, we Seniors devoted much time and energy during the subsequent weeks and presented V.I. with a gala Christmas ball. The gym truly looked a "Winter Wonderland," for the angel hair, blue lights, and snowflakes made an exquisite setting.

Remember the excitement of the first snowfall of the season! The lawn and shrubbery were purified with a lovely white frozen blanket. Christmas parties and campus sings hastened the hours 'til we were on our separate ways to join our families and friends for the Yuletide season.

January rained itself away and took with it examinations and that invariable college cramming. The new semester — three gone, only one more to go — offered to some of us our last chance to prove ourselves before our college days ran out.

During our last semester at V.I., each new day seemed to pass by a little faster than the one before. We all participated with pleasure in the delight of giving and the surprise of receiving during Peanut Week. Religious Emphasis Week and the Bristol Preaching Mission helped to abate our hectic lives for a while and to provide us with spiritual inspiration in the days to come. Class spirit ran high on the day of the traditional Effigy Hunt, and how we did cheer our team for the Junior-Senior basketball game! The Sweetheart Formal set the mood for the outstanding social event of the school year that was soon to follow — the beautiful Publications Formal. It was a night just made for dancing, and stars shone in the eyes of every girl there.

Balmy spring days and warm sunshine revived us all, while many a coat of suntan was acquired on the roof of Senior Hall. The days passed even more quickly then, for we could not forget that graduation time was rapidly drawing nigh. Our little sisters honored us with the memorable Junior-Senior banquet; and after the fleeting days of Easter vacation were over, we faced with regret our last weeks at V.I. The Spring Formal, the Annual Horse Show, Torchlight Ceremony, May Day . . . we will always hold treasured memories of these.

Finally, Graduation Day. At last we realized how much we had gained through our life at V.I. Knowledge, friendships, yes; but even more important than these, we had gained an understanding of ourselves.

Junior Class History

"Intermont we look toward you for a life serenely true . . ." has become the theme of our class. As we look back over the past year vivid memories appear in our hearts, which we shall always cherish with fond appreciation.

September brought a mixture of happy and frightened girls together on the hill in Bristol town. As we entered the hallowed halls of V.I. for the first time, a new era in our lives began, lives together full of happy moments, hilarious moments, trying moments, all these to become a part of us as individuals of the Junior Class of 1957.

Orientation Week was loads of fun, full of new adventures, meeting new friends and getting to know our roommates as we attempted to find our way down the right staircase, but in all our confusion our Big Sisters were ever ready to lend a helping hand. (They were swell!) They led us to realize the true spirit of V.I.

Classes started all too soon, and with books and pencils we began burning the "midnight" oil. As we met together for the first time as a class we really got off to a great start by choosing Mrs. Willett and Mr. Poteat as our class sponsors. Now the green and white was out to make history with the "King size" number of 230.

October brought dreaded thoughts of "Rat Day." Soon it was over and wasn't so bad as we had expected. (Thanks, Big Sisters.) Another fall event which will long be remembered was the Kiwanis Outing. We surely had fun, and did we ever eat! The inauguration of Dr. Turner as president was a meaningful service to us all, as we sat in the amphitheater, that fall afternoon.

November was a full month as we started practicing for Song Contest with Lou Liverman as our leader. There were two long weeks of hard practice. As the big night approached, we entered the gym with cold hands and fluttering hearts. It was our turn, and as we took our formation we sang our love to V.I. and did our best with "the Guidance which comes from above." We all held our breath as the winner was announced . . . The Junior Class! . . . our green and white, had won!

As December approached we became anxious to return home. One of the highlights of our social activities for the entire year was the Christmas Dance which our Senior Sisters gave. Every one had a wonderful time. Our Christmas vacation passed all too fast, and with the arrival of January we were back at V.I. to face mid-term exams.

February was off to a good start with "Preaching Mission" and "Peanut Week." The month ended with the unusual Sweetheart Dance sponsored by the Art Club.

March 2nd was a big day, both for the Juniors and the Seniors — the Effigy Hunt held a surprise for us all and the Junior Senior basketball game that night was a wonderful victory for the Seniors. The entire campus was challenged and inspired by the days of Religious Emphasis Week. Another terrific surprise was the opera "Sister Angelica," presented by the Glee Club. Publications, one of the most outstanding weekends on our campus, was an occasion we shall long cherish among our fondest memories of V.I.

Junior Class History

April the 8th brought the Junior-Senior Banquet. This we had looked forward to for a long time, since through the banquet we could express our gratitude to our Big Sisters for everything they had meant to us throughout the past year. For the first time at Intermont the traditional Junior-Senior Banquet was held at the famous historical Martha Washington Inn, the "Greenbrier of Southwest Virginia." As "Gone with the Wind" for our theme, the days of the Senior Class were fast coming to a close.

May was filled with excitement and confusion as we began to pack. We enjoyed the A.A., Student Government, and INTERMONT banquets, along with the others. Classes and exams ended on Friday, May 31. Another year had gone by and as we left V.I. our hearts filled with the warm friendship of our friends. We looked forward to September with eagerness to return as the Senior Class of 1958.

Yes, truly, we may say of Intermont, "These friends who are so true, we have found by finding you."

High School History

September, 1956, brought the class of '57 back to V.I. after three wonderful months of fun and sunshine. Even midst the screams and shouts of greeting old friends, we couldn't forget our Little Sisters, who were to add so much to the spirit of the Blue and White.

The class officers were soon chosen and there was business to be taken care of and work for all. Our wonderful President, Markie, and our sponsors, Mr. Severs and Miss Hartley, proved to be the most understanding, generous, and able leaders that any class could wish for.

Before we knew it, November had arrived, and the annual Song Contest was the main event. Phoebe drilled us over and over again for our performance on that all-important night.

No sooner had we recuperated from the Thanksgiving festivities than we realized that the mid-December rush of preparing for the Christmas Holidays at home had come. What excitement there was!

The High School was proud of its high scholastic rating which reigned during the year, and it was especially proud of the large number of girls that were initiated into the National Beta Club.

This year, for the first time, the Senior Class took a trip to Asheville, North Carolina, where we visited the Biltmore Estate, Thomas Wolfe's home and Gatlinburg. It was a wonderful week-end, and a good time was had by all.

The Junior-Senior Banquet was a never-to-be-forgotten event. The Juniors certainly did put forth all their efforts to make the evening a huge success! Thank you, Little Sisters, from the bot-

tom of our hearts. It was a night that will always be remembered.

Then High School Day, the day that began at the early hour of five. This was our day — the day we wore bermudas to class, and enjoyed the Southern hospitality the teachers had to offer us.

As the year was drawing to a close, we were honored by the Turners at their home. The High School was well represented in the May Court by four of our loveliest girls, and the Senior Breakfast reminded us that this wonderful year was to end all too soon.

Torchlight, Baccalaureate, and Commencement were all occasions which were meaningful to us.

Our days of friendship, love, and learning, times of sadness, joy, and bliss, at Intermont were at an end, but . . .

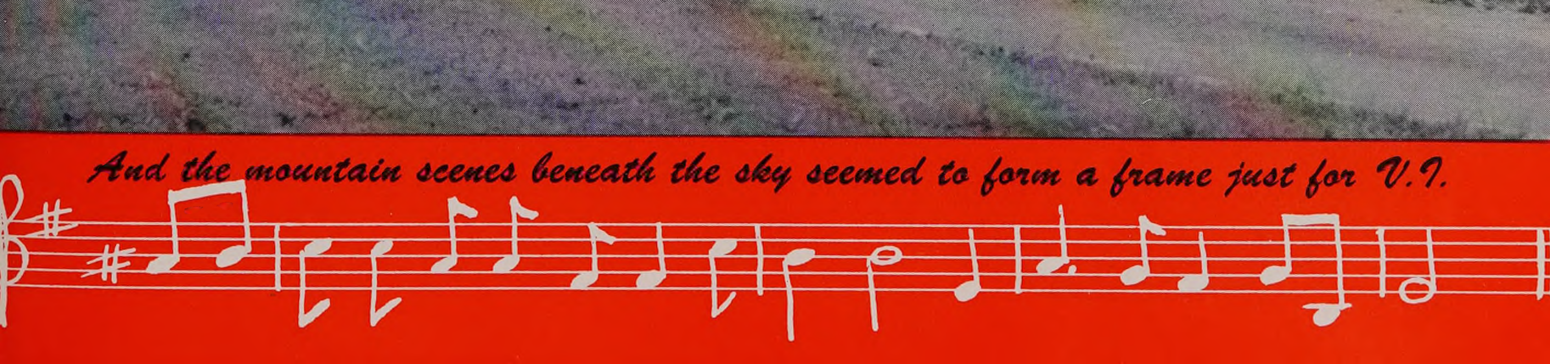
Departmental Activities

And the mountain scenes beneath the sky seemed to form a frame just for V.I.



Science Department

A wide range of sciences are offered under the direction of Dr. S. J. Marion, Miss Marion Clark, and Miss Nancy B. Eliason.

Dr. Marion, assisted by Miss Donna Britton, instructs high school and general chemistry and quantitative and qualitative analysis. In order to achieve an understanding of the physical world and a general knowledge of the operation of many practical devices, students may take physics, which is taught by Miss Clark.

The sciences of botany, zoology, anatomy, and microbiology are taught by Miss Nancy B. Eliason.

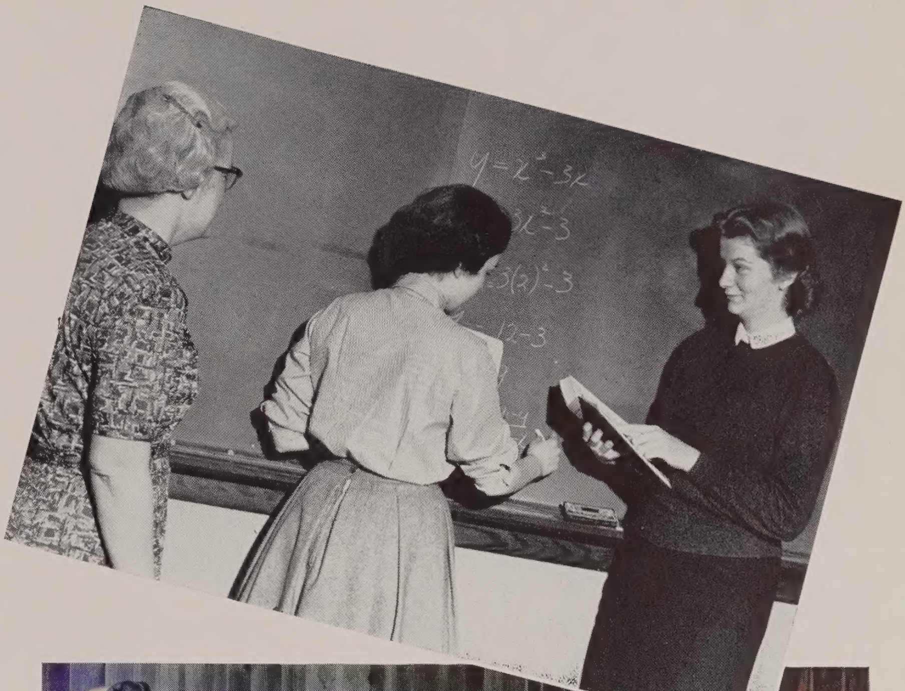
Middle: The "Pi Squares" of Physics Class.

Bottom left: Not too much, Becky.

Bottom right: Do you think it's dangerous, Norma?

Mathematics Department

Miss Marion Clark is head of both the high school and college Mathematics departments. The college courses offered include algebra, trigonometry, analytic geometry, and calculus. High school students are fortunate in having plane and solid geometry, trigonometry, and algebra I and II, to choose from.



Nursing Department

Virginia Intermont's nursing program is one of the pilot schools of Cooperative Research in Junior College Education for Nursing. It is capably conducted by Miss Skehan, Mrs. Runnion, and Mrs. Mauk.

The nursing students take their academic courses on campus and receive clinical experience at the Bristol Memorial Hospital. After two years, which includes regular nine month school sessions and two eight to ten week summer periods of clinical experience, the students are eligible to take their R.N. examination.

The students in the Nursing Department have formed their own club, which enables them to have parties and various other social functions together.

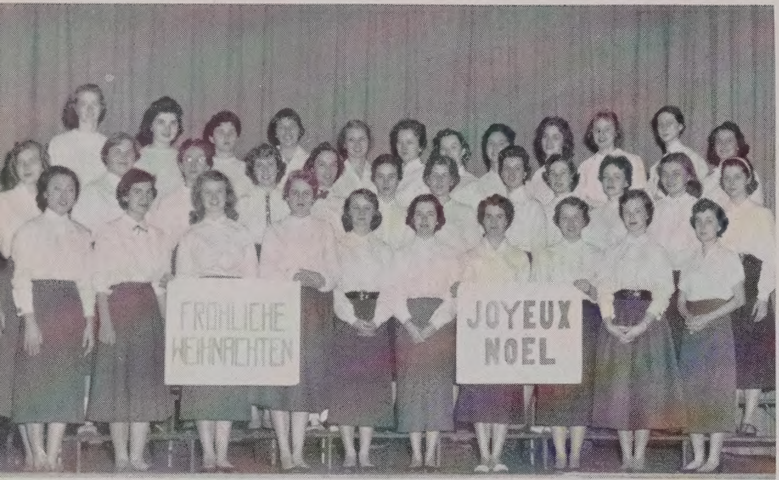
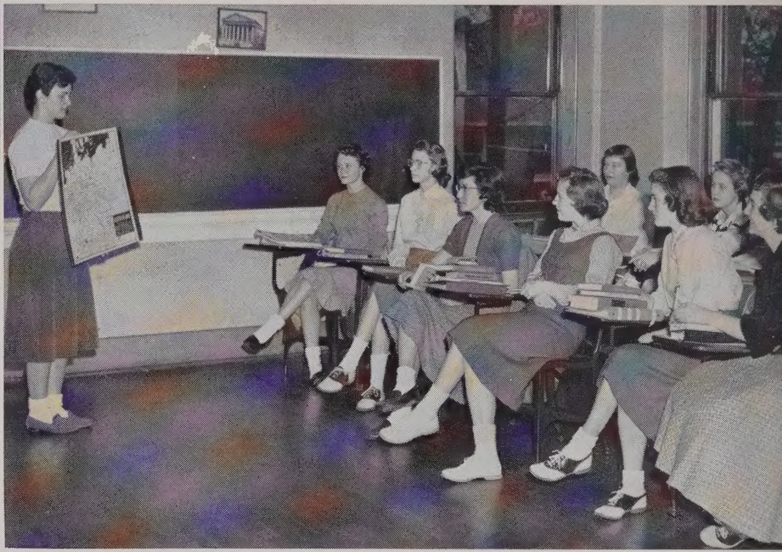
Languages



In English: Merry Christmas!!

Crossing the ocean by map and language.



Four courses of study are offered in the English Department in high school and college. These consist of grammar, composition, and literary types. Mr. Cooke, head of the college English Department, gives various exhibitions throughout the year to better acquaint the students with the great literary masters.

The foreign languages include French and German under Dean Pflug, Spanish under Mr. Snow, and Latin and French under Mrs. Amis. Dean Pflug's French and German classes present an annual Christmas Carol program in their respective languages.

Social Studies

Under this broad heading come many influential subjects. History, instructed by Mrs. Dwight Willett, is designed to inform the girls as to existing conditions in the world.

Religion, both comparative, which is helpful in the understanding of all the religions of today and yesterday, and Old and New Testament, which is an extensive study of the Bible, are taught by Dr. Louis Taylor.

Psychology, which is divided into general psychology, first semester, and child psychology, second semester, is under the direction of our president, Dr. Turner.

Instruction in thinking clearly and correctly is furnished by our Sociology course, also taught by Dr. Louis Taylor.

Music Department

Being a member of the National Association of Schools and having the Alpha Beta Chapter of Phi Beta, national professional music fraternity, Intermont's Music Department is an outstanding one.

The predominant feature of the Music Department this year was the presentation of a one-act opera, "Sister Angelica," by the voice students under the direction of Mr. John Atwood.

Mr. Atwood also directs the chorus, which has presented several concerts this year, along with taking a tour during Spring Vacation. Mr. Ralph Osthoff, Director of Music, and Miss Frances Eller teach piano; and Miss Eller also instructs the organ students. Miss Adams teaches Music Theory. Classes are also offered in music appreciation, history of music, and introduction to music.

Our Chorus always makes us proud.

Something's really cooking!
Careful, Linda, don't cut your finger!

Home Economics

Having as its purpose: training for right living — for better standards in home-making, the Home Economics Department, under the supervision of Miss Dora Miller, gives luncheons, teas, and an annual fashion show.

Under the general headings — Nutrition and Foods, Textiles and Clothing, and Home Management — classes are taught in marketing, meal planning and preparation, cost of meals, etiquette, child care, selection of clothing, designing, hand and machine sewing, fitting, and fabrics.

Secretarial Science

Miss Mary Lou Smith, head of the Secretarial Department, gives advice and practical assistance to all the girls. She is assisted by Dr. Beulah Reifel and Miss Doris Gardner. These three instructors apply their time in teaching such subjects as accounting, business correspondence, shorthand, typing, economics, office practice, and business law.

Offered also is a Medical Secretarial Course. For majors in this field, biology, anatomy, physiology, and microbiology furnish the needed medical terminology.

and Speech Department

The courses offered in the two-year drama program are varied and numerous. Among them are acting, radio, history of the theater, speech, directing, stagecraft, make-up, and play production.

Under the direction of Mr. James Poteat, the department has presented many entertaining major and one-act plays.

When help is needed in planning a program for a banquet, a backdrop for a dance, or just an experienced performer, you can always count on the ever-ready Drama Department.

Art Department

Students majoring in art may specialize in everyday, fine, or applied art. Instruction incorporated in these fields includes introduction to art, drawing and painting, art structure, art appreciation, and commercial art.

Conducting the courses in the department are Miss Anne Moore and Mrs. Luther Hodge. The history of art class is taught by Mr. C. Ernest Cooke, whose interest in the subject and whose extensive collections presented at the Sunday afternoon exhibits are assets to the course. Another feature is the Sunday evening art interest group conducted also by Mr. Cooke to stimulate the students' understanding and appreciation of art.

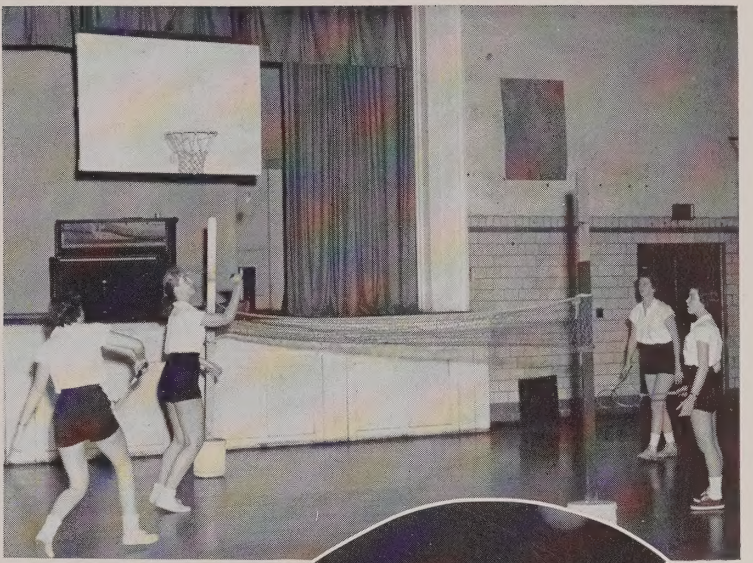
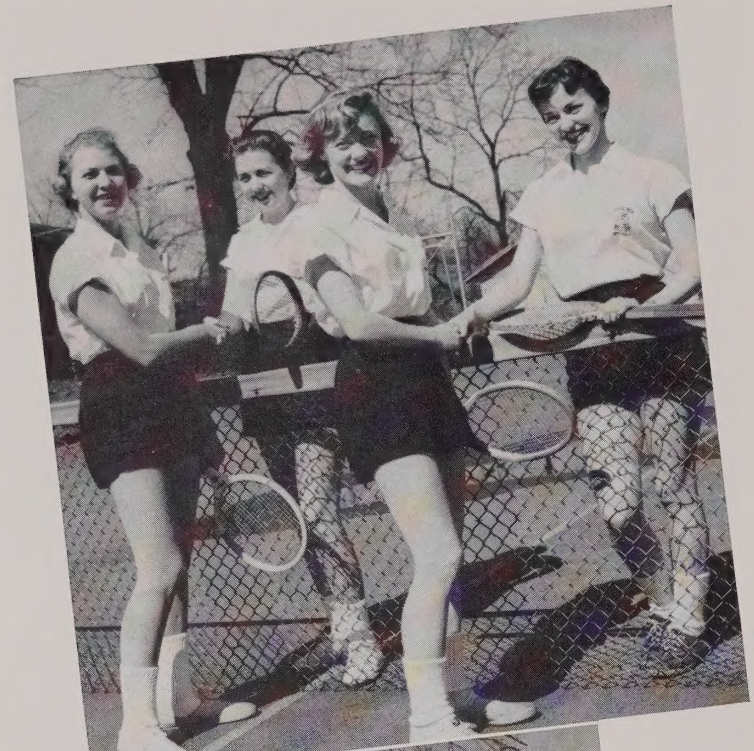
Education

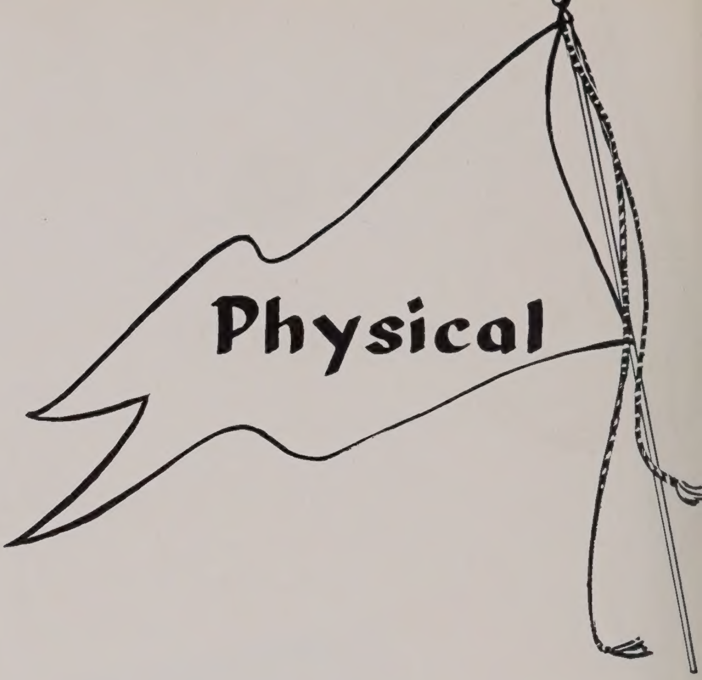


Gymnastics

Mrs. Howard Bowers, head of the Physical Education Department, conducts classes in basketball, volleyball, softball, hockey, tennis, archery, tumbling, shuffleboard, and ping-pong. The chief aim of these courses is a build a strong, well-developed body.

The Athletic Association, which coordinates all the activities of the Physical Education Department, helps to provide opportunity for participation and leadership in sports and to promote good sportsmanship between classes.

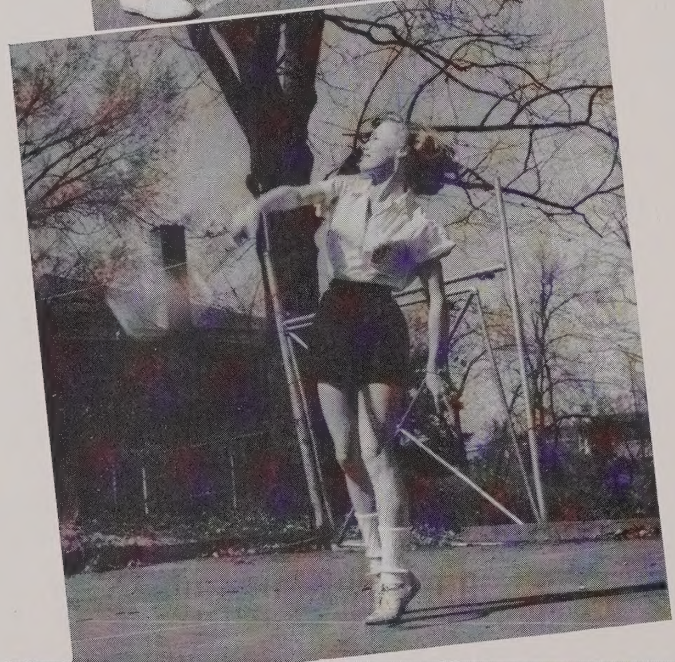


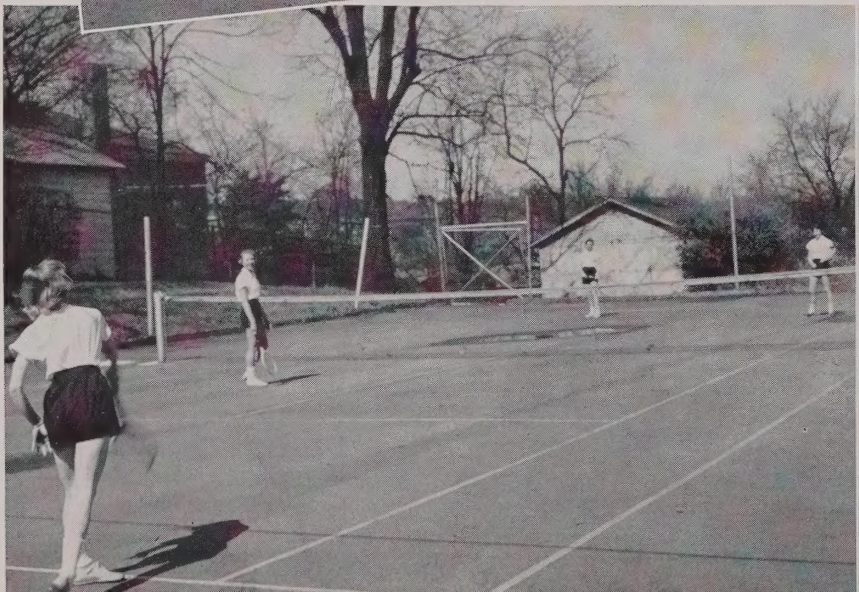


Swimming

A requirement of each student's two-year curriculum at V.I. is to either pass a swimming test or take one semester of swimming. Courses are offered in the following classes—beginners, intermediate, advanced, life saving, and instructors. Miss Barbara Lowmiller and Miss Cindy Moorehead conduct the various classes.

Any student who can successfully complete a difficult audition is eligible for the H_2O Club. The club spends many long weeks in preparation for the water pageant given each spring — a highlight of the year. At this time the H_2O members exhibit their mastery of perfection and beauty.





Education

Equitation

One of the largest divisions under the Physical Education Department is the Equitation Division, under the supervision of Miss Gwen Phillips. The members are divided into three groups — beginners, intermediate, and advanced. All phases of horsemanship are enjoyed.

The students taking riding may join the "Boots and Saddle" Club, which makes use of their talents in their annual Horse Show during graduation week.

Dance

The main presentation of the Dance Department is the colorful and climactic May Day program. Miss Barbara Lowmiller, assisted by Miss Marsha Morrison, conducts the dance classes and plans the May Day festival.

Student Government

The Student Government is composed of the students of Virginia Intermont College who pledge themselves to develop the principles of honor and self-reliance. The threefold object of the association is to represent and further the best interest of the student body, to promote responsibility, self-control, and honor among its students, and to secure cooperation between different campus organizations.

Officers are elected each year from the student body, the primary offices being held by seniors. These representatives function as a legislative and judicial organization.

The Student Government Association was introduced to the new students during orientation week. The week was filled with teas, discussion periods, and campus tours.

Honor Council

Each girl at V.I. is responsible for her own conduct — this is one of the greatest trusts that can be given to an individual.

Mature Christian judgment is used in making decisions that will uphold our Honor System and keep it the heart of our school.

The Honor Council is composed of the following: the Academic Dean; the Dean of Women; three other faculty members appointed by the college president; the presidents of the Senior, Junior, and High School classes; one other college Senior member; and the Student Government president.

Phi Theta Kappa

Phi Theta Kappa is an honor society, corresponding to Phi Beta Kappa of senior colleges, and it is found only in fully-accredited junior colleges. To be eligible for membership, a student must carry a full course including at least thirteen hours of liberal arts subjects with an average grade of 90 and no grade below 85. Leadership, character, and service are also considered before a member is tapped.

Miss Marguerite Pflug, who has been Nu Chapter's faithful sponsor for thirty years, was made an honorary member this year at a tapping service in chapel.

National Beta Club

The Intermont Chapter of the National Beta Club was organized to recognize high school students who have made outstanding achievements. Requirements for membership include an average of 90 with no grade lower than 85 during the entire four years of high school and outstanding qualities of leadership, character, and service.

Miss Clark sponsors the Beta Club.

Phi Beta

The Alpha Beta Chapter of Phi Beta, national professional music fraternity, was chartered at Intermont in 1939. Intermont has the honor of being one of only two junior colleges in the organization. Alpha Beta's members are recommended by the faculty of music, and after an audition are elected to membership on the basis of scholastic as well as musical ability. The members are inspired to gain the best from college life. The capable sponsor of Alpha Beta is Mr. Ralph Osthoff.

Delta Psi Omega

The Virginia Intermont chapter of Delta Psi Omega, the national honorary fraternity, was established for the purpose of stimulating an interest in dramatic activities and to reward worthy students for outstanding achievement in the dramatic field. Qualifications for membership are based on scholastic record, participation in the casts of one full-length play and two one-act plays, work on the crews of a one-act play and one full-length play.

Mr. James Poteat, Head of the Drama Department, nominates those worthy of membership.

Alpha Pi Epsilon

Alpha Pi Epsilon is the national honorary secretarial fraternity at Virginia Intermont.

All students majoring in secretarial science, including medical secretarial students, who have an average of 90 with no grade below 85 are eligible for membership. Personality and character are also important attributes of a student chosen for membership in this organization.

At the beginning of the school term Alpha Pi sponsors a tea for all students in the department. Also near the end of the term an annual banquet is held. All the teachers in the Secretarial Department are invited to attend.

The Areannes are the students who live in Bristol or in the surrounding areas and who commute each day. Many of these girls hold important positions of leadership at V.I.

Among the numerous activities this year were the sponsoring of a formal dance, noonday devotions, the Christmas parties for the senior girls of Virginia and Tennessee High Schools, and a vesper program. In the Hut these girls have their own Christmas party and Peanut Week party.

Miss Clark and Mrs. Crockett sponsor the club.

Hillel Club

Our newest religious organization on campus is the Hillel Foundation, which had its inception in the fall of 1956. It is composed of Intermont's Jewish girls and meets twice monthly. The purpose of the Hillel Foundation is to promote loyalty to the local temple and participation in its activities. Through this organization these girls learn more about their own beliefs. The Hillel Foundation sponsors two Vespers programs each year.

Little United Nations Club

The Little U.N. Club at Virginia Intermont is composed of students from foreign lands. This year it was made up of girls from Canada, Cuba, the Dominican Republic, Guatemala, Mexico, Panama, Venezuela, and Korea. The members of the club travel to nearby towns where they present programs relating to the dress, music, traditions, and customs of their respective countries. Bristol, too, benefits from the club, for the girls are frequently guests in private homes and at banquets. From time to time they participate in local T.V. and radio shows. A chapel program is presented at V.I. by the club as a whole on United Nations Day.

Canterbury Club

The Canterbury Club, established for Episcopal students and all others interested in the Episcopal Church, is an active group on the campus of Virginia Intermont.

The name, Canterbury, was taken because of its connection with the Mother See of the Anglican Communion.

Its purpose being to bring each girl into a closer relationship with the church and its work, the club accomplishes various activities by embracing the fields of worship, study, service, and unity.

Some activities have been the presentation of Vespers and Chapel Services, a party for the foreign students, a tea for Episcopal girls of Sullins College, and attendance at conferences at other schools.

The Religious Planning Board, composed of the president and devotional chairman of each denominational group, a day student and student government representative, meets regularly in order to coordinate the activities of all V.I. religious organizations.

This group plans various religious events and programs. It sponsors morning and evening devotions for the entire student body, and again this year planned a Religious Emphasis Week, under the directorship of the campus chairman, Janice Horsley.

The denominational groups represented are the Baptist Student Union, Canterbury Club, Hillel Club, Newman Club, Student Christian Fellowship, Wesley Foundation, Westminster Fellowship, Young Women's Auxiliary, and the Young Women's Christian Association.

The Baptist Student Union is the link that connects the Baptist girls with the local church. All Baptist girls are members of the B.S.U. The Executive Council plans the year's work and takes care of the business. During the year the B.S.U. sponsors a get-acquainted party, "Join the Church" Sunday, Vocational Emphasis Week, a tea for the students, faculty, trustees, and their church parents, a party for the foreign students, morning and evening devotionals, and the B.S.U. banquet. It also helps sponsor Religious Emphasis Week. Delegates are sent to the conventions and retreats throughout the state.

The Intermont B.S.U. has attained the recognition of First Magnitude for the past three years. This award is made by the Department of Student Work.

Home Economics Club

Even though young women leave home in order to obtain a college education, they always maintain a constantly growing interest in home economics. Here at V.I. we have a Home Economics Club which is open to any girl who may be interested and desires membership, even though she does not take courses in the Home Economics Department.

During the year, the club holds a formal initiation for its new members, and a Christmas buffet supper to which members bring a small gift for the children at the orphanage. In addition to speakers at the various meetings, the club has two outings, one in October, the other in the spring. The club is under the leadership and sponsorship of Miss Dora Miller.

Tip'n Run Club

The girls who make the dining room so pleasant and gay are the waitresses of our Tip 'n Run Club. They are always neat and efficient.

The club has several parties during the year. This year at Christmas, the dietitian gave the waitresses a party.

The club has a "Miss Pinafore" chosen each year at the St. Patrick's Day Banquet. Many things are considered in choosing "Miss Pinafore", since she will automatically be the Dining Room Hostess for the next year. However, her main characteristics must be neatness at all times, cleanliness, and a pleasant attitude.

MARKIE BERRY—The girl who can often be found in the center of a crowd entertaining everyone with her lively wit and humor is Markie. "President" is a title to which Markie has become quite accustomed since she was president of the Junior Class in '56 and the Senior Class this year. She is also a member of Honor Council, Rules and Regulations Committee, Westminster Fellowship, B.S.U., Y.W.A., and Young Democrats Club.

MERRY HULL—When you hear such sentimental music as "Tenderly" coming from the organ room, you can readily guess it's Merry playing. This sparkling, brown-eyed high school Senior is Vice-President of her class, High School Editor of the Intermont, a member of the Curry Club, Westminster Fellowship, Beta Club, Glee Club, Tip 'n Run Club, and May Court.

ELINOR HARKLEROAD—Our newly elected Student Government President is talented Elinor. She has also received the honor of being tapped into Phi Theta Kappa. A new student to the campus, Elinor has been very active in many organizations. She is on both the Intermont and *Cauldron* staffs and a member of the Wesley Foundation, Y.W.C.A. Council, and Boots and Saddle Club.

DIANE KEFAUVER—The girl who has proven her leadership ability in her two years at V.I. is Diane. She was honored last year by being chosen "Miss Pinafore" and has served as dining room hostess this year and will again fill this position next year. The student body recognized Diane's ability when they elected her Senior Class President for next year. Diane is President of Westminster Fellowship, a member of the H_2O and Tip 'n Run Clubs.

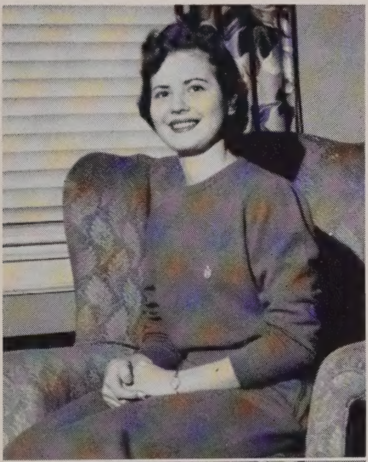
MARY LOU LIVERMAN—By leading the Juniors to a well-deserved victory in Song Contest, Lou won the respect of all of them. They showed her their appreciation by electing her their class President, an office she has filled capably. Lou is also a member of the Athletic Association Council, Treasurer of the B.S.U., a member of the Y.W.A., Phi Beta, and Secretary-Treasurer of the Chorus. We will always remember Lou for her beautiful voice.

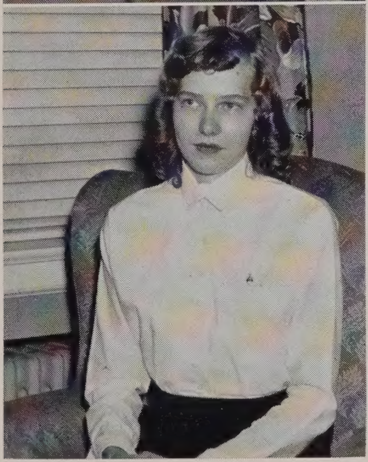
MYRNA POPE—The tall, charming girl with a wonderful personality is Myrna. Everyone knows her for her beautiful red hair and quiet manner of talking. She has gained many honors at V.I. As a Senior in High School, she was a member of Beta Club and May Court and is now a member of Phi Theta Kappa. Myrna is also Vice-President of the Y.W.C.A., a member of the B.S.U., and Y.W.A.

bearers

CAROLYN CANTRELL—Who's the smallest girl in the Senior Class? Yes, it's Carolyn. Known to all for her friendly "Hey you all," Carolyn has many unforgettable friends at V.I. She has served as Editor-in-Chief of the INTERMONT, Devotional Chairman of the Wesley Foundation, and President of the Young Democrats Club. She is also a member of Alpha Pi Epsilon and May Court.

ELIZABETH GROENEWEGEN—Characterized by a sunny disposition and way of understanding problems, "Beth" has become a friend to all on the Intermont campus. Her honors include being President of Phi Theta Kappa, Photography Editor of the *Cauldron,* Historian of the Senior Class, Vice-President of the Wesley Foundation, and a member of the Athletic Association.





JANICE HORSLEY—Known to all for her peaceful, friendly, inner glow is Janice. Many responsibilities have been hers since she has been at V.I. She has capably performed all her duties and has willingly supported many campus organizations. Janice is a member of the B.S.U., Phi Theta Kappa, and Honor Council. She is also President of the Y.W.A. All of us will remember Janice as one who seldom worries and never hurries.

LINDA McLIN—Who's the girl known over the campus for the laugh which she so often displays? That's Linda. Her popularity is evidenced by the fact that she is President of both Alpha Pi Epsilon and the Y.W.C.A. She is also a member of the Young Democrats Club, May Court, and dining hall representative. When we think of Linda, the first thing which comes to our minds will be her sparkling eyes.

PEGGY O'DELL—Pert and pretty Peggy is one of the most active girls on the V.I. campus. Her friendly grin and her cheerful "Hi everybody" have made her loved by all. As President of the Areannes, Peggy represents the Day Students on campus. She is a member of the Athletic Association Council, the Advertising Staff of the INTERMONT, the Wesley Foundation, and the Young Democrats Club. She is also Feature Editor of the *Cauldron.*

BARBARA SIMMERS—Just say the word "baseball" and you'll find Barbara eager to discuss the latest achievements of the Yankees. This petite, curly-haired brunette is well appreciated on the campus for her fine job as Editor-in-Chief of the *Cauldron.* She is also a member of the Athletic Association Council, Treasurer of Phi Theta Kappa, and a member of the Wesley Foundation.
